
Consent Form – Political Participation Consultation

Inclusion International is an organization made up of people with intellectual disabilities and their families.

We want to know how people with intellectual disabilities take part in politics and voting.

We are having meetings so we can hear your ideas about making elections accessible.

We want to use the ideas you share with us to help governments make elections more accessible in every country.

For us to use the ideas you tell us, we need your consent. “Consent” means you telling us it is okay to do something.

Before you join the meeting, please fill out this form.

You do not have to take part in the meeting if you don’t want to.
